Alternative pages for monthly planning are included below.

I decided to make more detailed notes on each month this year.

I have lots of posts about planning your year and homeschool planning on my Substack and on my blog.

Here are the links for ideas & tips:

**There is not one right way to plan.
Do what works for you and your home.**

Anything here is a suggestion or a way to sort through the variety of information you are facing at the beginning of the school year.

Take what works and drop what doesn't.
You are the expert for your situation.

♥ happy planning!
